

I choose
Montréal

This is Montréal, the Best Student City in the Americas

Canada's city of Montréal - voted **Best Student City** in the Americas by QS in 2019 - has the **best resources** for students to complete their studies and start an exciting career. According to the OECD, Canada has the best work environment for international students.

Take advantage of it and find out what's waiting for you!

- **Renowned educational institutions** (vocational training, college: pre-university and technical, and university), offering studies in French and English
- **A population that is open to the world** and speaks several languages
- **Internationally recognized areas of expertise**
- **Lowest education tuition fees** in North America
- **Outstanding quality of life** (safe neighbourhoods, a vibrant cultural scene)
- **Low cost of living**
- **Employment opportunities** during and after your studies
- **The possibility of immigrating** to Québec after graduation

I choose Montréal: The Go-To Resource for International Students

I choose Montréal is an initiative of Montréal International, Greater Montréal's economic development agency, developed in partnership with the Government of Québec. Its dedicated team helps **international students with their plans to study in Montréal and make it their home.**
