

I choose
Montréal

This is
Montréal,
the best city in
Canada for students

Montréal

Montréal, Québec's metropolis
– voted Best Student City in Canada
by QS 2023 – has the best resources for
students to complete their studies and
start an exciting career.

Take advantage of it and find out what's waiting for you!

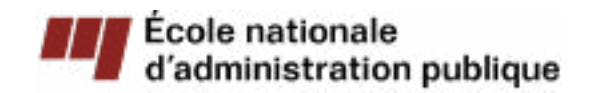

- Renowned educational institutions (vocational training, college: pre-university and technical, and university), offering studies in French and English
- A population that is open to the world and speaks several languages
- Internationally recognized areas of expertise
- Lowest tuition fees in North America
- Outstanding quality of life (safe neighbourhoods, a vibrant cultural scene)
- Low cost of living
- Employment opportunities during and after your studies in a growing labor market that is favourable to workers
- The possibility of immigrating to Québec after graduation
