

Study in Montréal step-by-step >>>

1

Choose a study program in one (or several) educational institution(s) in Greater Montréal

2

Prepare your application file and submit it before the institutions' deadlines

3

Apply for a Québec Acceptance Certificate (CAQ) for studies*, after receiving the acceptance letter from your institution, with the Government of Québec

4

Apply for a study permit*, after obtaining your CAQ, at Immigration, Refugees and Citizenship Canada

5

Ask your institution about health and hospitalization insurance for the duration of your studies

6

Prepare for your departure: gather all travel documentation, find accommodation, and register for courses...

7

Arrive in Montréal

MONTRÉAL

*Foreign students are required to hold a CAQ for studies and a study permit if studying more than 6 months in Canada
